#### Arrive to Munich, cycle to Zell am See

We meet in the morning in Munich and are transferred to Niedernsill. After a briefing and setting up the bikes, cycle through wondrous villages surrounded by the towering Alps. Bike through the wide valley and past 14,000-year-old glacier-carved gorges via Kaprun to Zell am See. Decide to take an alpine sled down the mountain, jump into the brisk lake, or decide to freshen up before indulging in a tasty meal at the hotel's dining room.

For a change of pace, ride a cable to the Schmittenhöhe, with stunning views of the lakes and mountains. Hike over the hilltops and back to the Schmittenhöhe. The option to go paragliding (not included in the trip price and weather dependent) beckons the truly adventurous. After returning to the hotel, opt to take a short spin along the lake, or choose to walk or enjoy a scenic boat ride on the "Zeller See". After a delicious meal, retire to your room and rest up for more adventures tomorrow.

A short transfer takes us to Taxenbach, where we embark in rafts to experience the thrill of white water rafting (minimum age: 10) on the Salzach River, flowing past scenic villages, magnificent churches, and charming mills. After rafting, we'll have lunch and then set off by bike past Bischofshofen, famous for its Four Hills Ski-Jumping event. Today's destination is Werfen, a quaint village nestled in a gorgeous valley complete with a storybook castle. ## Useful Info

### How much luggage can I bring on this trip?

You are allowed one piece of luggage on your trip, plus a daypack. Your main piece of luggage should not exceed 50 pounds (23 kilograms) and can be anything from a duffle bag to a sports bag with wheels or a suitcase. You'll also want a good quality backpack sized 25-30 liters (2000 cubic inches) to use throughout the days.

You may also like to bring along a small camelbak to carry your water in and a layer of clothing for when you're on the bike trail.

### Can you tell me more about the bike and gear included?

We most commonly use the Cannondale Adventure 800 Rigid, with straight or racing handlebars, 27 speeds and seat suspension. If you want to bring your own cycling gear such as cycling shoes, pedals, helmet or seat (no seat stems please!) we'd be happy to help fit them for you - note; if you're bringing your own shoes please also bring your own pedals, to be sure they match! All bikes come supplied with the following equipment: safety flag, rear rack and pannier, front bag with map holder, a water bottle cage, flat or toe cage pedals, helmets (small/ medium/large/XL) and water bottles, though we don't provide electrolytes.

### Is tipping expected in Europe?

Tipping is not expected in Europe however you might want to tip a little extra if you feel someone gave really fantastic service, but it's not really necessary. Many of our people also choose to tip their Active Adventures Europe trip leaders and local guides and we recommend USD\$20 per day, per guest, per Trip Leader/guide. You are welcome to tip an equivalent amount in the local currency. There are plenty of ATM's and banks in the larger towns of Europe.

### Where does the trip start?

On the first morning of the trip we'll pick you up at the [Hotel Excelsior](#) at 8:30am. You are welcome to book your pre-trip stay at this hotel directly or any other hotel in Munich, though you must make your own way to this pick-up point at the pre-designated time.

### Where does the trip end?

Your trip ends with a drop-off at one of the following locations: Downtown Salzburg after breakfast, Munich International Airport for flights listed below, or a hotel of your choice in Downtown Munich around 1pm. Alternatively, depending on your travel plans, we can also drop you at the Salzburg train station.

### What flights would you recommend?

**Arrival:** We recommend arriving in Munich at least the day before your trip starts. Many guests like to arrive a day or two early to accommodate potential flight delays and/or explore the host city prior to your trip start.

**Departure:** Flying out on the last day of the trip, we recommend departing from Munich after 2pm. Earlier flight times will require a separate transfer booked at your own expense.

## How do rooming arrangements work?

Trip prices are based on shared arrangements (typically two guests per room), unless otherwise stated. For solo travelers, we'll pair you with another person of the same gender to share rooms and if there's no one suitable to share with, there's no forced single supplement. However, if you specifically request your own rooms, you can opt to pay the single supplement. Solo travelers who book within 90 days of departure, where there are no other solo travelers willing to share, will be required to pay the single supplement.

For Family Vacation bookings, families consisting of four guests traveling with children aged 17 and under will be automatically assigned one shared room. However, the following alternative rooming allocations are available:

Families consisting of four guests with all children aged 13 and above are welcome to opt for additional rooms as per advertised double occupancy adult rates.

Families consisting of four guests with at least one child aged 12 and under are automatically assigned a shared room. However, families can opt to pay the adult rates for all guests in their family to have an additional room.

The same principles apply for families consisting of more than four guests.

Rooming preferences are subject to availability and must be communicated in writing at time of booking. Automatic assignments as per this policy will be applied in the absence of any specification provided by guests. Any request for additional rooms during trips will be at guests' own expense and subject to rates made available by the accommodation provider at the time. All minors (guests aged 17 and under) must be accompanied by at least one adult.

## What is not included?

Pre/Post accommodation
